

Meet Eridan at the Marketplace!

#SUMMIT25 · SEPTEMBER 2025

#SUMMIT25
Implement & Consolidate

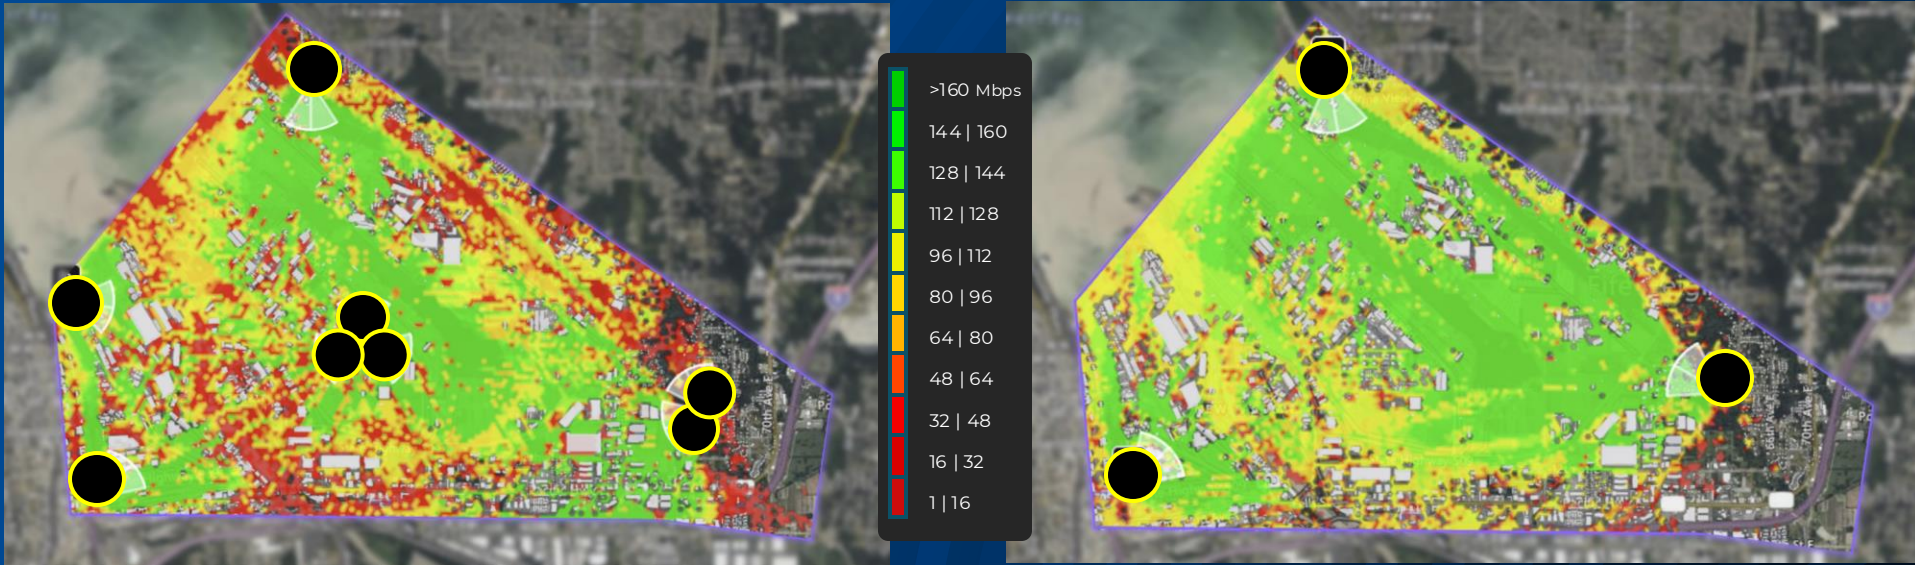

Demonstrating the Power of Eridan's Clean Signal Technology

Logistics Port Deployment Plan

(10 square kilometers, 2500 acres)

Legacy Radio: 0.5w/channel 4x4 – 2W radio, 40MHz

Eridan Solution: 0.25w/channel 2x2 – 0.5W radio, 40MHz

Modeling on eino

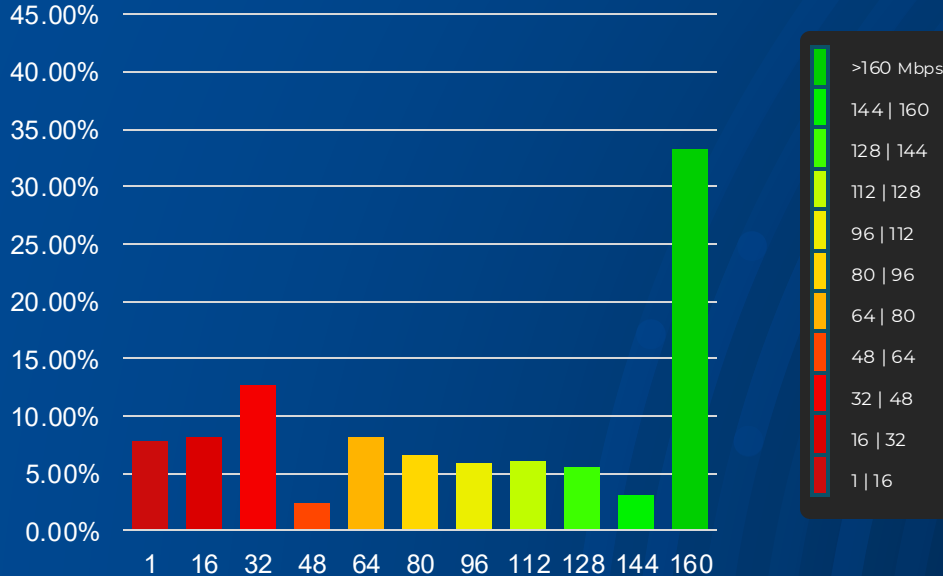

The Eridan Solution needs only 3 radios vs.
8 Legacy radios with 8X more output power!

ERIDAN

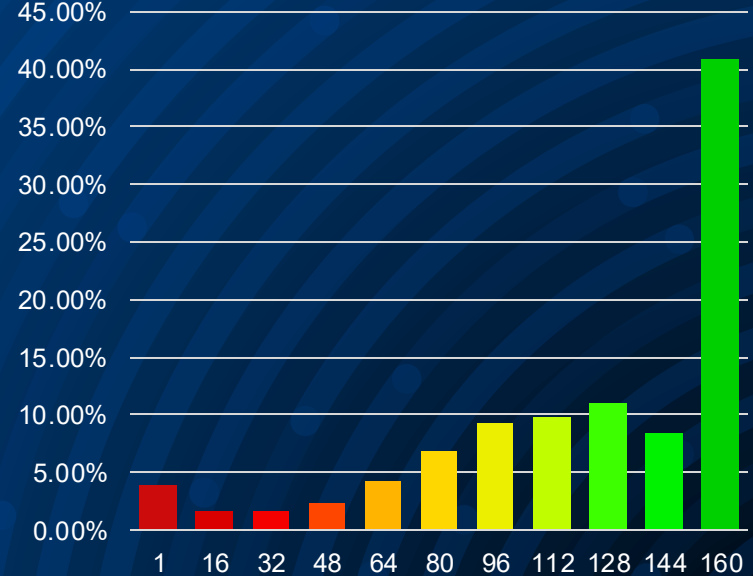

Clean Signal to the Cell Edge!

(Logistics Port - 10 square kilometers, 2500 acres)

Legacy Radio: 0.5w/channel 4x4 – 2W radio, 40MHz

Eridan Solution: 0.25w/channel 2x2 – 0.5W radio, 40MHz

Modeling on eino

Legacy Radio has 4X more cell-edge LOW throughput

ERIDAN

Providing a Better User Experience with a Future-Proof Network, and Significantly Lower TCO

Item	Legacy 2W Radios	Eridan Solution 0.5W radios
RAN	1 Static Base Station per 1.25km ²	1 Scalable Base Station per 3.3km ²
Coverage Area	Assume 10km ²	Assume 10km ²
Deployment	8 radios	3 radios
CAPEX	\$100k	40% Savings
Electricity	8 power-hungry Legacy radios	3 low power radios
Monthly site-leases	5	3
OPEX	OPEX for 8 radios	~50% Savings per year

Eridan Field Performance

45ft

6

OAI base station

Eridan radio with 90-degree sector antenna – Category A

ERIDAN

Eridan's Ultra-low EVM Drives Significantly Higher Throughput

Covering 72% of area at >96Mbps vs. 21% for standard radio (Rural)

Industry Standard

ERIDAN

PARAMETERS

	Standard	Eridan
Output Power	0.5W	0.5W
Bandwidth	40Mhz	40Mhz
Antenna	90° Sector	90° Sector
Configuration	2T2R	2T2R
EVM	3.5%	1.1%

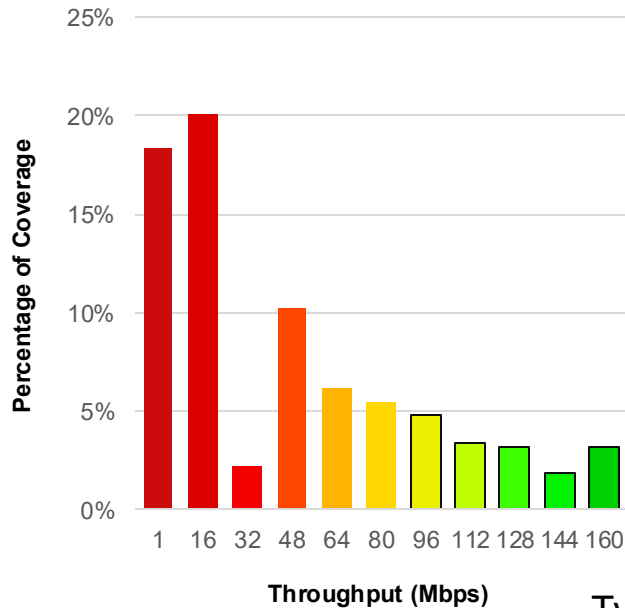

Data: eino.ai

Typical Rural

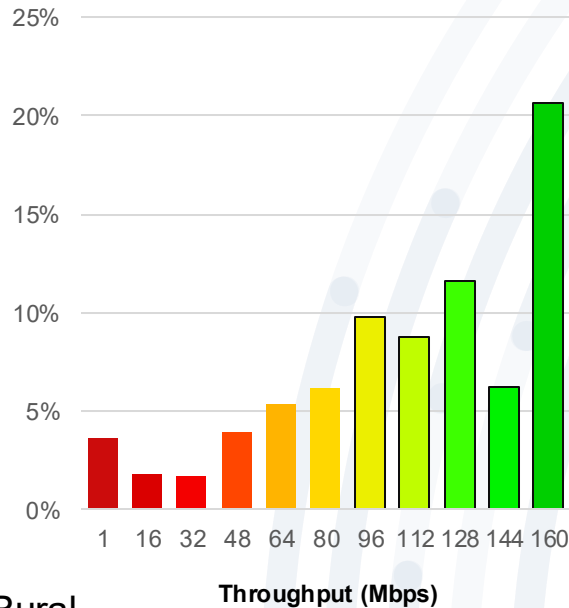

Eridan covers 72% of area at >96Mbps vs. 21% for standard radio (Typical Rural)

Salt Flats in Utah
No change in elevation

Data: eino.ai

The background of the image is a composite of a night cityscape at the bottom, a starry night sky in the middle, and a field of colorful light trails (red, green, and blue) that appear to originate from the city and spread across the sky. The light trails create a sense of dynamic movement and connectivity.
